

Five characters

1. Detective Elizabeth "Liz" Carter

- **Age:** 35
- **Description:** Liz Carter is an experienced detective known for her analytical mind and keen perception. She is always attentive to details and doesn't shy away from difficult cases. Her skepticism and dry sense of humor often help her crack the toughest cases.
- **Biography:** Liz was born and raised in a small town where her father was the sheriff. After high school, she joined the police academy and quickly climbed the ranks. She has a younger sister she is close to and a German Shepherd named Max.

2. Dr. Michael "Mike" Raymond

- **Age:** 40
- **Description:** Michael Raymond is a forensic pathologist with an impeccable reputation. He has extensive knowledge in criminology and is always ready to assist detectives in their investigations. His calm and methodical approach often balances the emotional outbursts of his colleagues.
- **Biography:** Mike grew up in a medical family and was fascinated by science from a young age. After earning his medical degree, he specialized in forensic pathology. Mike is married with two children. In his free time, he enjoys gardening and reading classic literature.

3. Inspector James "Jim" McDonald

- **Age:** 50
- **Description:** Jim McDonald is a police veteran with over 30 years of service. He strictly follows the rules and expects the same from his subordinates. Despite his stern appearance, Jim has a kind heart and is always willing to help those in need.
- **Biography:** Jim was born into a working-class family and dreamed of becoming a police officer since his youth. He rose from patrol officer to inspector through his dedication. Jim has an adult son who also serves in the police force. Jim is passionate about history and loves fishing.

4. Journalist Clara "Claire" Wilson

- **Age:** 28
- **Description:** Clara Wilson is a talented journalist specializing in crime reporting. Her persistence and ability to uncover information make her a valuable ally for the police. Clara often uses her connections and charm to get to the truth.
- **Biography:** Clara grew up in a family of journalists and knew from a young age that she wanted to follow in their footsteps. After graduating from university, she started working at a local newspaper and quickly gained fame for her investigations. Clara lives alone but has a cat named Lucy. In her spare time, she enjoys photography and learning foreign languages.

5. Hacker Alex "Ace" Rodriguez

- **Age:** 30
- **Description:** Alex Rodriguez, known by his alias "Ace," is a brilliant hacker who works as a consultant for the police. His skills in computer security and his ability to find information in the digital world make him indispensable in investigations.
- **Biography:** Alex grew up in a poor neighborhood and became interested in computers early on. He is self-taught and achieved great success through his talent and perseverance. After some trouble with the law, he decided to use his skills for good. Alex loves extreme sports and collects vintage video games.
